

best brains for life sciences

The Genius Search Group continues to expand and will be reinforced by two new senior consultants.

Thomas Winter, the founder of Genius Search, is delighted that with Dr. Renate Braeuninger-Weimer and Wolfgang Bender he has not only won two excellent personnel professionals but also two good friends for the further development of the Genius Group.

Both consultants will join the Genius Group as Managing Directors and shareholders. Together with Thomas Winter they will drive forward the initiated growth strategy and focus on the European market.

Genius Search is a leading Life Sciences Executive Recruiting firm serving the Pharmaceutical, Biotechnology, Medical Devices and Diagnostics Industry as well as other related fields, which has been successfully established in Heidelberg, Germany.

Genius Search runs Offices in Germany (Heidelberg), Switzerland (Davos) and United Kingdom (London). Wolfgang Bender (back), Dr. Renate Braeuninger-Weimer (front right), Thomas Winter (front left)
